Transcend the everyday

Please join us for a free, one-hour webinar that will introduce you to Design-Craft Cabinets largest and most Innovative NEW product launch in years!

During this webinar we will explore Design-Craft's newest finish offering The Stoney Brooke Collection along with additions to both our stain and paint finish palettes. Our new glaze options allow you to create the specific look your customers are requesting and make it easier for you to set proper expectations. In addition, we will review our New Finish Select Program which has evolved from our Stain Select program to provide you with more options in creating the finish your customer desires. With Design-Craft's new Door Style options you can choose your door style and center panel to create a style truly inspired by you. Our new Remnants Collection available on Pike's Peak features European technology in a textured material. Two new materials, Heartwood and Whitewood have been added to our Bella door style to provide you with more design options. Additional updates include mocha glass available on Brava as well as Gardenia, a bright white acrylic for contemporary spaces. Lastly, we will provide you with an overview of the many new SKU's that were added to the product line.
